

# Data-driven Computational Epidemic Forecasting

A workshop on epidemic forecasting research and practice with applications in R

## Instructors

**Aditya B. Prakash**  
Associate Professor  
School of Computational Science  
and Engineering  
Georgia Institute of Technology

**Alexander Rodríguez**  
Ph.D. Student  
School of Computational Science  
and Engineering  
Georgia Institute of Technology

**Harshavardhan Kamarthi**  
Ph.D. Student  
School of Computational Science and  
Engineering  
Georgia Institute of Technology

**PowerPoint Slides**
